

On-line Ethics Test

Before you start the evaluation, you will need:

- Your CC number. If you do not know your CC number, please contact the NCCP Database via e-mail at coach@coach.ca. Please include your full name, date of birth, mailing address, and e-mail address in the correspondence.
- An account with the NCCP Database. If you have your CC number, but do not have an account set up for the NCCP Database, please visit <http://nccpdb.coach.ca/production/>, click on “Sign Me Up” and follow the instructions. If you encounter any problems signing up, please contact the NCCP Database via e-mail at coach@coach.ca. Please remember to include your full name, CC number, and e-mail address in the correspondence.

Please be advised:

- The evaluation can take at least one hour to complete. You may quit the application in order to continue when it’s more convenient without losing your place.
- The application only allows two attempts at successfully completing the evaluation. If both attempts are unsuccessful, you will be required to participate in a Make Ethical Decisions module in order to access the online evaluation for another two attempts.
- Once you have successfully completed the online evaluation, your file on the NCCP Database will be automatically updated. To view your transcript online, please visit <http://nccpdb.coach.ca/production/> and login using the same username and password you used to access the online evaluation.

If you experience any technical difficulties or you have any questions about the technology being used, please contact Lesley Brownlee, Coordinator of Information Systems at lbrownlee@coach.ca. Lesley will provide you with technical assistance or will forward your feedback to us to help improve the online evaluation tool.
